*presents ..... a seminar by*

**Galen Reeves**

**HERE** ↴

**REGISTER**

We are excited to host **Prof. Galen Reeves** for an upcoming **seminar**! Prof. Reeves is an Associate Professor of **ECE** and **Statistical Science** at Duke who uses **information theory** to analyze high-dimensional inference, machine learning, and signal processing tasks. He will discuss his work and its applications to engineering, physics, math, and more!

**SNACKS PROVIDED!**
